Mr. Ayotunde Aboderin, 32, Nigeria

Ayotunde Aboderin is a Nigerian social impact leader and youth advocate working at the intersection of youth empowerment, integrity, anti-corruption, climate action and sustainable development. He is the Executive Director of AmpliYouth Advocacy Academy and Country Lead of MUN Impact Nigeria, where he works with young people to build their capacity to understand systems, advocate for change and participate meaningfully in decision-making. He is a member of the UNODC YouthLED Integrity Advisory Board and has represented Nigerian and African youth in international policy spaces. His interest in integrity and anti-corruption is rooted in seeing how corruption affects communities and limits opportunities for young people. Through advocacy, education and youth-led programmes, he works to equip young people not only to speak against corruption, but to become active builders of more accountable and ethical institutions.
