Mr. Pradeep Giri, 28, Nepal

Pradeep Giri is a youth leader and social impact advocate from Nepal, dedicated to promoting integrity, accountable governance, and youth empowerment. He has contributed to youth policy development as an advisor to Nepal's Ministry of Youth and Sports and is currently pursuing a Master's degree in Public Policy, with a focus on Good Governance and Anti-Corruption. As Acting President of Team NEPO and Co-founder of Creating Opportunity International, he works to expand access to education, leadership opportunities, and community development. His commitment to integrity and anti-corruption is rooted in the belief that corruption, nepotism, and weak accountability erode public trust and hinder youth potential. He advocates for transparent institutions, meaningful youth participation, and a culture of integrity that empowers young people to drive positive change and build a fairer, more accountable society.
