

Mr. Ayotunde Aboderin, 30, Nigeria

Ayotunde Aboderin is an advocate, educator, and leader in anti-corruption, climate action and youth empowerment. He currently leads MUN Impact Nigeria, is the founder of the AmpliYouth Advocacy Academy and the Phoenix Rising Project, through which he has reached out to over 1500 youth and mentored over 200 young advocates in Nigeria. His work spans across various areas, including anti-corruption efforts, finance, climate mobility, and human rights. Ayotunde has led significant grassroots youth initiatives and spearheaded different anti-corruption campaigns in Nigeria. With a background in Fine and Applied Arts, Ayotunde has championed innovative and creative initiatives to address some of the world's pressing issues, including producing a song to promote the SDGs, authoring books on anti-corruption and climate for students. He continues to actively participate in high-level conferences on anti-corruption and climate mobility regionally. His commitment to creating sustainable solutions and fostering youth engagement has earned him recognition both locally and internationally.
