

Ms. Lizette Onesia Majoie Aboue, 23, Benin

Lizette Aboue is a passionate advocate for cybersecurity, women's empowerment, and youth leadership. She holds a degree in IT Security and has earned certifications including Microsoft Analyst Cybersecurity and ISO 27001. Lizette is dedicated to advancing digital safety and promoting integrity across Africa.

Her leadership has earned her several accolades, including first prize at the Africa Health TechX Hackathon 2023 and the Miss Geek Africa 2023 Runner-Up award. Lizette is a member of the Network of Women in Law and Politics Against Organized Crime for West and Central Africa, where she actively works on combating organized crime and corruption. She was also selected to participate in the Youth Consultation preceding the COP UNTOC, contributing to global efforts against transnational organized crime.

In addition to her anti-corruption work, Lizette is a Generation Connect Africa Envoy Alumni, advocating for digital inclusion and technology-driven development across the continent. As a member of the UNODC YouthLED Integrity Advisory Board, she continues her mission to promote integrity, believing strongly in the power of technology and education to foster sustainable development and social progress.
